LB 252

time of your legislator is spent sitting here listening to the Clerk reading. So that is what you are watching this morning as you observe your Legislature in action. The Clerk will now read on Final Reading LB 252.

CLERK: Mr. President, I have a motion on the desk.

PRESIDENT: Read the motion, Mr. Clerk.

CLERK: Senator George moves to return LB 252 to Select File for specific amendment, that amendment reads as follows: Read George amendment offered on page 1525, Legislative Journal.

PRESIDENT: The Chair recognizes Senator George.

SENATOR GEORGE: Mr. President, I move to return LB 252 to Select File for purpose of specific amendment. As the Clerk just read, there is a superfluous statement in it which refers to the old law before it was amended. It is unnecessary and it could be misleading and I just have to take line, this is on page 2, line 10 and 11 and I would like to take that out.

PRESIDENT: Is there any discussion as to Senator George's motion to return for that specific amendment? If not, I guess, Senator George, that will constitute your opening and your closing. The motion then is the motion to return LB 252 to Select File for that specific amendment. All in favor vote aye, opposed nay. Record the vote.

CLERK: 37 ayes, 0 nays on the motion to return, Mr. President.

PRESIDENT: Motion carries. The bill is returned. The Chair recognizes Senator George for purposes of making a motion to amend.
